

MALVA RETHREADED

Recrafted with purpose,
carried with meaning

OUR PHILOSOPHY

Even discarded objects hold beauty.
We reevaluate their value and breathe new life into them.

Each piece, carefully crafted one by one,
blends sustainability with timeless design.

Not just to be used, but to be cherished.

OUR STORY

Malva Rethreaded was born from the simple belief that beauty still resides in discarded objects.

Each piece, carefully crafted by hand, breathes new life into forgotten materials.

THE PROCESS

In collaboration with our recycling partners,
the materials are carefully selected and reprocessed.

Each piece is then handcrafted one by one,
transforming materials that were destined for the trash
into refined works of art.

WHY MALVA

- Products carefully crafted from recycled materials
- Each piece is handcrafted one by one
- Every item is a unique, one-of-a-kind piece
- Timeless designs built to last

THE COLLECTION
